Allowable Subject Matter

1. Claims 1-17 have been allowed.
2. The following is an examiner's statement of reasons for allowance:

As to claims 1-17, patentability resides, at least in part, in the combination of: a method for machining bores of workpieces with a desired nominal shape of the bores in operative condition, including steps of: producing in a workpiece a bore with nominal shape in inoperative condition, putting the workpiece in operative condition, determining a deviation of a shape of the bore from the operative to inoperative condition, determining an initial shape for the bore from the deviation, and producing bores by employing the initial shape, in further combination with the other limitations of base claims 1 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
